MISSION TO RECLAIM AMERICA

LEN SAPUTO, MD

PEOPLEUNITED.NET

PeopleUnited Mission Statement

PeopleUnited informs and motivates concerned citizens, visionaries, and organizations to build a unified community.

Through strength in numbers, PeopleUnited focuses on restoring the rights and responsibilities of “We the People”.

We demand all elected officials represent the “Will of the People”.

Major Problems America is Facing

Loss of control of our government

Loss of inalienable civil rights

Failing economy

Loss of control of health freedom

Threat of loss of our constitutional republic

Banking crisis/inflation

Taxation without representation

Digital Currency

Mandatory digital passports for health & carbon footprint

Health crisis: depression, anxiety, AI & transhumanism

Corruption of the FDA, CDC, NIH, big pharma

The threat of "The New World Order"

The threat of the WHO

Sex trafficking Cartel

Sex identification education

The Drug Cartel

Homelessness

Border control

PeopleUnited.net's Primary Platform Includes Reform

No longer shall we allow "The Will of the Government" to supersede "The Will of the People"

We shall not allow our Inalienable rights to be compromised

Our economy must meet the needs of "We the People"

We cannot allow health freedom to be in totalitarian control

We will protect, defend & secure our Constitutional Republic

First Problem All Americans Face

“The Will of the Government”

has superseded “The Will of the People”

Goals of PeopleUnited

TO REQUIRE RETURN
CONTROL OF OUR
GOVERNMENT TO “THE
WILL OF THE PEOPLE”

TO CREATE UNIFIED
STRENGTH IN
NUMBERS TO RECLAIM
POWER OF THE PEOPLE

TO CREATE A
NATIONAL
GRASSROOTS
NETWORK OF PEOPLE
& ORGANIZATIONS

TO PROVIDE
COMMUNITY-BASED
COOPERATION FOR
FOOD, WATER,
POWER, & SAFETY

TO RESTORE THE
RIGHTS &
RESPONSIBILITIES OF
“WE THE PEOPLE”

TO REQUIRE ALL
ELECTED OFFICIALS TO
REPRESENT THE “WILL
OF THE PEOPLE”

TO DEFEND VS THE
WORST OUTCOME, BUT
MUST ALSO BE
PROACTIVE &
OFFENSIVE

“The Power of the Dollar” Has Superseded “The Will of The People”

Our elected & non-elected representatives make promises to us during their campaigns that they do not keep...to get our votes & then move on

Their loyalty is not to “We the People”. All too often is to corporations, lobbyists, & oligarchs...their loyalty is to money

How is it possible that elected officials will pass legislation that is illegal & morally corrupt?

“The Will of the People” has been subordinated to “The Power of the Dollar”

“We the People” Are the Government!

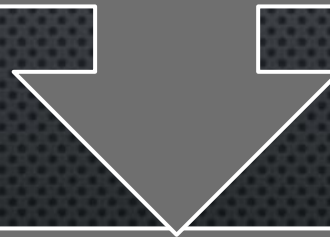

It is not only our right but also our *responsibility* to run the country!

We cannot allow elected or unelected officials run the country unchecked

Our elected officials make promises to us, but answer to corporations, lobbyists, & oligarchs...and we put up with this

How Strength in Numbers Creates Power

15% of the population is 50 million people...enough to empower change

There are many ways that community enables change

Do not comply with illegal, unconstitutional, & immoral mandates & laws

Apply financial pressure to elected officials & organizations

Sponsor marches, special events, & conferences

Coordinate national grassroots meetings to inspire "The Will of the People"

Grassroots sustainability with co-ops for food, water, power, safety

**For People
Who Have
Courage &
Want
Change, This
is an
Opportunity**

American globalist elitists have gone to war Against “We the People”

For anyone who does not want to live in fear, this is a time to take back control of our country

It is time for bold leadership from patriotic Americans who want to reclaim & restore the values of what America used to be

We are in a clarifying moment when we will find out who we are. Who are you?

This is What Patriotic Americans Seek

I seek equality for all

I seek a constitutional form of government of, by and for all decent freedom lovers

I seek a sane society, where you are free to own what ever you earn...but threaten no one else with it

I seek the America that used to be, where every Citizen is free to dream, work, build, own, enjoy and pass on to the next generation, the fruits of their labor.

**Second
Problem
All
Americans
Face**

Our Inalienable rights

are being destroyed

How Our Civil Rights have been compromised

Who can work

Who can travel

Where you can travel

What you are allowed to say

Which businesses can stay open

What you must wear over your face

How many can meet in your home or in public places

How far apart you must be from others

What medications your doctor can prescribe

If you're not vaxxed you cannot work or go to school

What your doctor can say about your treatment

Scotus allowed the 14th Amendment to give corporations privileges as people

The government has clearly lied to the people. It is not transparent

Violation of the doctor patient relationship

Illegal governmental mandates

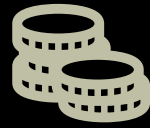

Our government's willingness to hand over our freedom & sovereignty to the WHO

**Our
Inalienable
Rights are
Being
Destroyed**

Why We Formed PeopleUnited

IT WAS HEART WRENCHING TO WITNESS THE DEMISE OF THE US CONSTITUTION & BILL OF RIGHTS & TO WATCH THIS BEING DONE IN BROAD DAYLIGHT WITH NO REMORSE, WHILE "WE THE PEOPLE" WERE STANDING BY UNDER A SPELL OF PROFOUND EVIL. THAT WAS OUR CALL TO ACTION TO CREATE PEOPLEUNITED.

**Third
Problem
All
Americans
Face**

Our Economy

Is Failing

Our Economy is Failing

**Inflation (housing,
power, food, etc)**

**Banks are going
bankrupt**

**Digital currency is
on the horizon**

**Government
spending is making
us insolvent**

**FOURTH
PROBLEM ALL
AMERICANS
FACE**

**OUR HEALTH
FREEDOMS HAVE BEEN
COMPROMISED**

Our Health Freedom Has Been Compromised

**OUR FOOD, WATER,
AIR & SOIL ARE
POISONED**

**MORTALITY RATES
HAVE INCREASED
OVER THE PAST 3 YRS**

**OUR MENTAL HEALTH
IS BEING DESTROYED**

**OUR STRESS LEVELS
HAVE INCREASED**

Fifth Problem All Americans Face

**OUR CONSTITUTIONAL
REPUBLIC IS IN DANGER
OF COLLAPSING**

Our Constitutional Republic is in Danger of Collapsing

**Globalism is
replacing the
republic**

**The World Economic
Forum's New world
order**

**The WHO's plan to
take over our
sovereignty &
freedom**

This is What the WHO is Planning!

Do you want the director general of the WHO to be your doctor?

Do you want them to make your health decisions? Should they be centralized?

Would you like to be treated with a “one size fits all” insurance code?

Do you want your health decisions to be made without your knowledge or approval?

Are We in Agreement So Far?

“The Will of the Government” *is* superseding “The Will of the People”

Our Inalienable rights *are* being destroyed

Our economy *is* failing to meet the needs of the middle class

Our health freedom *is* being compromised

Our Constitutional Republic *is* at risk of collapsing

Why “We the People” are Not Responding

Many people feel separated, alone, disenfranchised, & powerless

Why vote? Are there meaningful choices &/or are elections rigged?

Yet it's our responsibility to unite & run the country, not bureaucrats'

“We the People” are not unified & are fearful to act alone

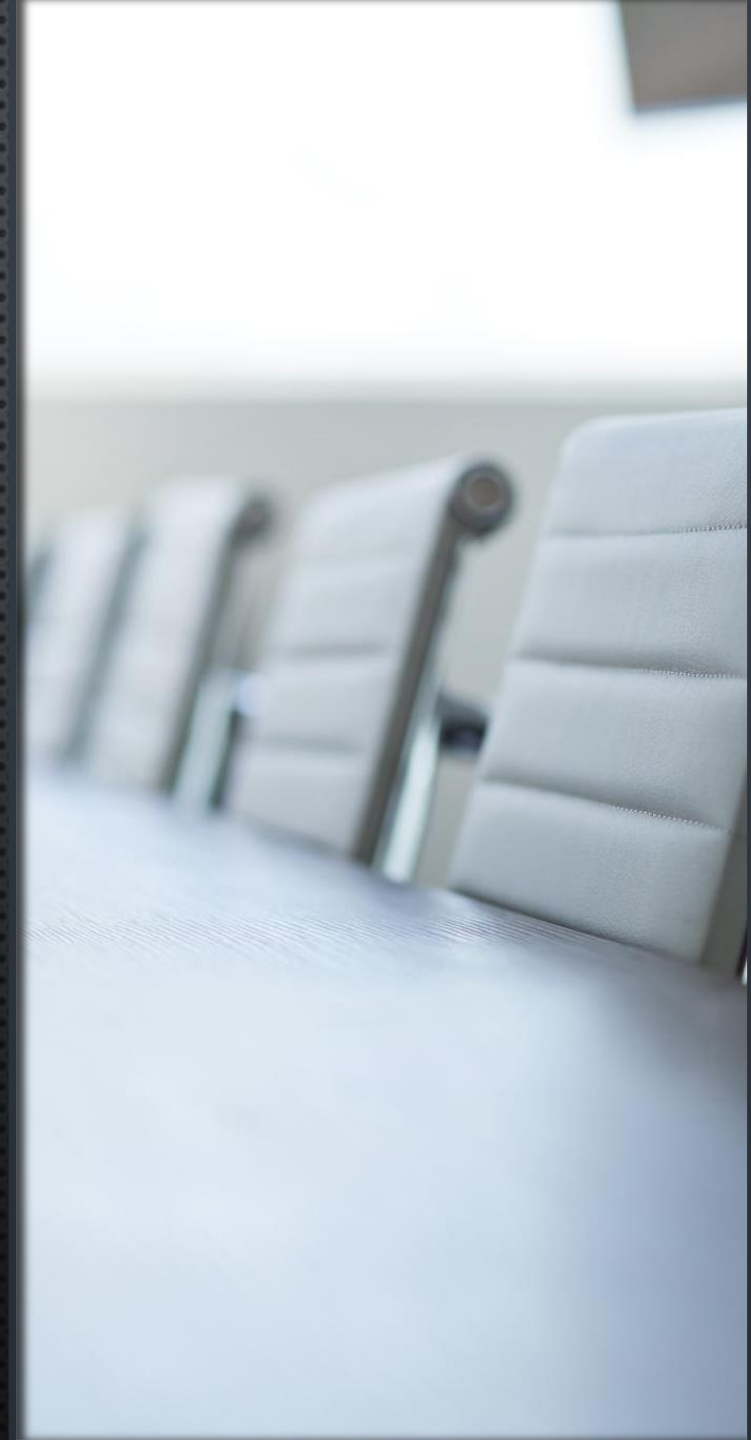

Freedom & sovereignty have become global issues

What “We the People” Must Accomplish

We Need To Interface with Other Like-minded Organizations

- **FOR EXAMPLE:**
 - **LIBERTY FORUM (NATIONAL AND REGIONAL OFFICES)**
 - **RADIO/TV STATIONS - INTERVIEWS & CALL-INS**
 - **VIRTUAL MEETINGS - LECTURES, ZOOM MEETINGS, RECORDED WEBINARS, PODCASTS**
 - **PHYSICAL MEETINGS - ADS, LOCATIONS, AGENDAS, FOLLOW UP**

What We Could Do to Take Back Our Government

We could go along with government policy & wait & see what happens

We could appeal to our elected officials to give control back to us

We could file lawsuits against our perpetrators

We could start a united national grassroots movement of "We the People"

People Who Are United Can Accomplish Their Goals

Strength in numbers equals power

15% of population is 50 million people...enough to make a difference

There are many ways to exert power

PeopleUnited Projects Are a Partnership

You can be part of our community & our projects

PeopleUnited is a think tank & you are invited to participate

You support PeopleUnited goals & we support your goals

We work together in solidarity with “strength in numbers”

A Final Closing Quote

I DON'T WANT TO JUST GO BACK TO WHERE WE ONCE WERE. I'D RATHER GO A LOT FURTHER, USING WHAT WE'VE LEARNED DURING THIS TIME OF PERIL, AND CREATE A BETTER COUNTRY AND WORLD FOR ALL OF US. ONE THAT IS EVEN BETTER THAN WHAT WE HAD IN THE BEST OF TIMES.
